EuroApprentices

Erasmus+ Ambassadors in VET

Good Practice:

EuroApprentices – Erasmus+
ambassadors in VET

Erasmus+ ambassadors in VET (EuroApprentices)

Target group:

- VET Learners who have realized a stay abroad funded by Erasmus+
- Motivated to share their experience with others

About us:

- sectoral bottom-up ambassador initiative
- strengthens on the one hand the visibility of learning mobility in VET
- and on the other hand social commitment, European values and active citizenship of VET students.

Our targets

- Create a European community of E+ ambassadors in VET
- Train E+ ambassadors in VET
- Foster participation, common values and civic engagement
- Visualize the attractiveness of VET
- Strengthen inclusion and diversity
- Prepare relevant aspects for a future Erasmus+ alumni structure in VET
