The Perfect Strategy

Strategies / Events inside of ESN

- Erasmus in Schools (EiS) - Rural & Urban

The main objective is to familiarise non-university students with the different countries of Europe and to inform them about the possibility of international mobility, promoting values such as respect, tolerance and coexistence.

To pursue these aims, ESN organises and manages the visit of international students to schools and institutes of the Spanish educational system.

Strategies / Events inside of ESN

- **Campamento EiS - EiS Camp**

The EiS Camp is a project of Erasmus Student Network Spain, inspired by the Erasmus in Schools activity. Specifically, the camp aims to bring the interculturality that we enjoy in ESN to rural environments: learning about cultures and languages, knowledge about exchange programmes and lots of fun for local and international students.

Strategies / Events inside of ESN

- **International Fair**

We organise an dedicated International Fair in which incoming students come into contact with outgoing students.

The main goal is to help future Erasmus students that will realize their international experience on the following months.

Strategies / Events inside of ESN

- Multi-level communication campaign from local to national

Tu peux partir dans l'un des 33 pays participant au programme, c'est-à-dire les 27 pays membres de l'Union européenne ainsi que l'Islande, le Liechtenstein, la Macédoine du Nord, la Norvège, la Serbie et la Turquie. Il existe toutefois des pays partenaires dont les pays du voisinage de l'Europe de l'Est et d'autres pays du monde entier.
