# Euro-Arab Foundation for Higher Studies

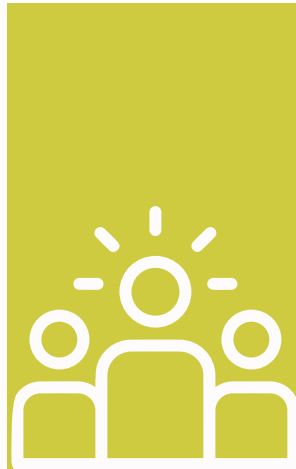

Transfer, Innovation, Research,  
and Dissemination

Antonio Sánchez Ortega  
Executive Secretary

UNIVERSIDAD  
DE GRANADA

**Who we are**

Established in 1995 in Granada, the Euro-Arab Foundation promotes cooperation between Europe and the Arab world through academic, social, and cultural activities, fostering new trends in science and humanities.

**Objectives**

- Promoting academic exchanges, research, and collaboration with Euro-Mediterranean countries.
- Driving postgraduate programs to disseminate knowledge among universities and research centers.
- Fostering economic development and cooperation between Arab and European countries.
- Becoming a provider of resources and information through a network of institutional and social collaborators.
