CONTACT SEMINAR: **USING ETWINNING IN KA2 SCHOOL-TO-SCHOOL PARTNERSHIPS**

1st September to 3rd September 2016 – Outside of Prague, CZECH REPUBLIC

Working language: English

Number of Spanish participants: up to 3 (pending on final selection by Czech NA).

Profile of participants:

- Teachers teaching pupils aged 4-15 in pre-primary, primary or secondary education.
- Participants should be interested in learning about eTwinning and realization of KA2 School-to-school partnerships with the use of eTwinning
- The pre-existing knowledge of eTwinning is not necessary, however, the participants must be registered in eTwinning before the starting date of the conference.

Themes and goals of the event:

This contact seminar is hosted together by the School Education Unit of Czech Erasmus + National Agency and Czech National Support Services for eTwinning.

Its main aim is to promote the synergies between Erasmus+ and eTwinning, inspire participants in using eTwinning portal for communication and collaboration in Erasmus+ KA2 Strategic partnerships projects and to help create networks among teachers involved in Erasmus+ and eTwinning projects.

Expected results:

The participants will be introduced in using eTwinning portal for communication and collaboration in Erasmus+ KA2 School-to-school partnerships projects and will be offered the opportunity to meet eTwinning users. On the other hand, the eTwinning participants will be given the opportunity to learn about the Erasmus+ programme, especially about their possibilities in the KA2 S2S projects.

The participants themselves are expected to take active part in the seminar, to become familiar with eTwinning and its possibilities in KA2 projects and to make contacts with teachers from other countries in order to find partners for KA2 project with the use of eTwinning.

They are also expected to be willing to share their experience with KA2 projects (if they have any) with the eTwinning teachers, who are so far unfamiliar with the Erasmus+ programme.

Draft programme of event:

Will be sent in the coming months.

Travel information:

The contact seminar takes place in a Chateau Štiřín (<http://www.stirin.cz/en/>), 20 minutes from Prague. The transport from Prague to the Chateau will be provided by the Czech National Agency.
